INFINITE CAMPUS PARENT PORTAL

PARENT/GUARDIAN ACCEPTABLE USE POLICY/USER GUIDELINES

Dear Parent/Guardian Users,

To assist parents/guardians in monitoring their child's progress, enhance communication, and further promote educational excellence, Plainview-Old Bethpage School District is pleased to provide secure Internet/Web-based access to student information through the Parent Portal feature of our student information management system, Infinite Campus.

Infinite Campus Parent Portal user accounts are issued on an individual basis, not per household. Each parent/guardian must request his/her own account by completing this user agreement. Once submitted, a letter outlining login credentials and directions will be sent to the user's home address. Please note this account will remain active as long the user has a student enrolled at **Plainview-Old Bethpage Schools**.

Through the Infinite Campus Parent Portal, parents/guardians will be able to view **unofficial data** about their children. This data may include access to student attendance, class schedules, report cards, progress reports, and transcript information. The Plainview-Old Bethpage School District reserves the right to add, modify or delete all viewable functions including the right to deny or revoke user access to the Parent Portal at anytime for any reason.

Use of the Infinite Campus Parent Portal is a privilege. Therefore, users of the Infinite Campus Parent Portal are required to adhere to the following guidelines:

1. Parent/guardians will read, complete, and sign the Infinite Campus Parent Portal Acceptable Use Guidelines and Agreement and review/acknowledge the minimum technical system requirements required to use the portal available on the District Web site under the Infinite Campus Parent Portal link button.
2. Parent/guardians will act in a responsible, ethical, and legal manner and read and comply with district Policies 6460 and 7314. Please refer to District Policies [6460 and 7314 – \(Computer Network/Internet Safety and Use Policy/Guidelines\)](#)
3. Parent/guardians will acknowledge that all accessible data on the Infinite Campus Parent Portal is unofficial.
4. Parent/guardians will not share their username and password to the Parent Portal with anyone, including their children.
5. Parent/guardians will not attempt to access data or the account of another parent/guardian.
6. Parent/guardians will not attempt to harm or destroy data of their own children, of another user, school or district network.
7. Parent/guardians users will not use the portal for any illegal activities, including violation of Federal and State Data Privacy Laws. Anyone found to be violating laws may be subject to administrative, judicial or civil action and/or criminal prosecution.
8. Parent/guardians who identify a security problem within the portal must contact their building principal immediately without demonstrating the issue to anyone else.
9. Parent/guardians identified as a security risk to the Infinite Campus Parent Portal will be denied access.
10. Parent/guardians will not leave their computer unattended while logged into a portal session and will logoff at the end of each portal session.
