CHILD CARE PROGRAM**

WAKE UP TO E-STEAM

**E-STEAM Registration for Winter/Spring 2017
Monday, December 12, 2016 at 7:00 PM
Plainview-Old Bethpage Middle School Auditorium**

We are pleased to offer special morning enrichment programs to all of our kindergarten and first grade children starting in January. These classes will be held three mornings a week from 8:10 AM – 9:10 AM. These programs are cross-curricular and will boost your child's learning of Science, Technology, Engineering, Art and Math. These skills are attained in a fun, innovative manner as your child gets ready to start their school day.

E-STEAM will begin January 10, 2017. Registration will begin December 12, 2016 at 7:00 PM with a parent presentation at the Plainview Old Bethpage Middle School auditorium and will continue on a first come, first served basis through Wednesday, December 21, 2016, or until the spots are all reserved. The program needs to be paid in full (18 weeks) upon registration. Child care registration forms are mandatory with a pre-registration form and \$50 registration fee, though children do not need to be in child care to take advantage of the E-STEAM morning program. Full packets will need to be filled out, as well as the additional E-STEAM registration form. If you already filled out child care forms, you do not need to fill it out again.

We are excited to offer the following programs:

Mad Science –\$330

Engineering For Kids - \$365

Karate –\$220

For full descriptions of the classes, please visit the website www.pobschools.org
