

August, 2011

Dear Parent and/or Guardian:

The Plainview/Old Bethpage School District has contracted with SCOPE Education Services to offer its students an **SAT Preparatory Course**. The 7-week courses are scheduled to prepare students for the November 5, 2011 exam. The dates of the FALL courses are:

DATES/TIMES: **Tuesdays** — 6:00 pm – 9:15 pm
September 13, 20, 27, October 4, 11, 18, and 25
 Wednesdays – 6:00 pm – 9:15 pm
September 14, 21, Oct. 5, 12, 19, 26 & Nov. 2
 Saturdays – 9:30 am – 12:45 pm
September 17, 24, Oct. 1, 8, 15, 22 & 29

Classes will be held at Plainview/Old Bethpage John F. Kennedy High School. An e-mail confirmation will be sent one week prior to course start date indicating the room assignment. Each three-hour class is divided equally between Critical Reading/Vocabulary/Grammar/Essay Writing and Mathematics instruction. In order for this class to be offered, a minimum enrollment must be met. **There are no refunds or pro-rated fees for the class.** The tuition for the 7-session course is \$195.00.

Students are expected to arrive on time, attend all classes and complete homework assignments. Parents should continually discuss the progress of the class with their child to ensure the students attendance and participation. New this year, SCOPE will institute a parent reporting system which will apprise you if your child is actually in attendance, doing his/her work and cooperating with the teacher in both verbal and mathematics sections. It is therefore imperative that we have a parental e-mail address to contact. Textbooks will be supplied the first night and students should bring a notebook and pen to each class.

Registration begins immediately. Log on to www.scopeonline.us click Child/Student Services on left side. Under SAT Prep Course, click on Plainview/Old Bethpage School District. If you have any questions, please call SCOPE at 881-9651 or email bwestcott@scopeonline.us.

Please note that the registration with SCOPE is for the SAT Preparation course **only**. You must register your child separately for the actual SAT Exam. We look forward to serving you and your students in our very successful SAT Preparation Course.

Sincerely,

Betty Westcott

SAT PREPARATORY COURSE

Provided by SCOPE Education Services

SCOPE — Long Island's leading Education Services provider — brings over 35 years of success and training expertise to the important task of enhancing individual student performance on the critical SAT examinations. This 7-session course will provide intensive practice and test-taking strategies in both verbal and mathematics instruction. Test scores generally improve in direct relation to the amount of work and effort performed by each student. Therefore, students will be expected to attend all sessions and be prepared to complete all classroom and homework assignments.

The Fall, 2011 course will begin in September in preparation for the November 5, 2011 exam.
